

## Weston® Smoke Infuser

**Effortlessly Add Smoke Flavor** – The Weston® Smoke Infuser is a quick and easy way to add smoked flavor to your foods in just minutes without the hassle of a larger outdoor smoker or grill. You can quickly add smoked flavor to chicken, pork, red meat, seafood and much more.

**Quick and Easy to Use** – Simply add wood flavored chips such as Applewood, Mesquite or Cherrywood to the infuser and light it. Within minutes, you will have a smoky flavor that adds a finishing touch to your food or cocktail.

**Flavor More than Meats** – Add smoky flavor to cheese, nuts, vegetables, soups, salsas and even cocktails.

**Portable and Convenient** – The Weston Smoke Infuser is battery powered and compact, making it easy to take with you to the table or to your next tailgate party.

**Enhance Flavor** – Take your entrée to the next level by enhancing flavors and aroma without changing the texture or temperature of the food.

**Starter Kit** – The starter kit includes 2 ounces of applewood chips to help you add classic smokehouse flavor to a variety of food and drinks.
